KEEY 2 READING (Level 1)-Designed for 4 year olds and entering kindergartners this program is loaded with hands on activities, songs and games all created to expose your child to the “Adventures of Reading”. Word Recognition Strategies are strongly implemented.

KEEY READERS (Level 2) Program- Students must have completed level 1 or first half of Kindergarten in order to participate in this sight word and phonics driven curriculum. This program is designed to engage students in sight word recognition and memory development by utilizing games and interactive lessons.

WRITE 2 READ (Level 3) Program- This program combines a balance of writing and strategic reading skills. Students will learn the proper technique for letter writing while, learning to listen for sounds while writing words. Students will create small books while utilizing sight words/high frequency words and decoding strategies.

READING ADVANCEMENT (Level 4) Program- This program is designed to develop students reading fluency, reading speed, comprehension skills and decoding abilities. Students will learn to enjoy reading and build a greater confidence in their reading.

WILD ABOUT WRITING- This program introduces students to various types of writing styles and purposes while exposing students to key strategies to improve the quality of their writings. Students will learn brainstorming techniques, as well as other skills needed to create writing masterpieces. High emphasis is placed on grammatical rules, vocabulary usage and organized paragraph development.

KREATIVE KEEY SKILL BUILDING EXPLORATION - The KKSBB Reading & Math series is a skill based program that allows students to review and expand their knowledge regarding the fundamentals of key concepts within their grade level. This session is meant to serve as a refresher for frequently identified areas of concerns for students in grade 2, 3-4 and 5-6.
